The day of your test:

- Your SSID test was emailed to you on Schoology. Open your Schoology email if you did not write down your SSID number. Or ask your Testing proctor
- If you cannot sign into the test, then Return to ZOOM if you are having technical issues at any time. Otherwise ask all your test questions using the CAASPP testing platform.
- Write down the test Session ID for your test today:

CA – –
- Remember to “log out” of your Chromebook, DO NOT sign back in on the log in screen, Click the APPS below. Scroll up to the SECURETESTBROWSER. Open the APP and let it load. You can sign in and go through the entire log in process.

If you are stuck watch this [tutorial video](#).
- Once approved by your Testing proctor, you may begin your exam. If you have any questions, you can ask in the test using CAASPP testing platform.
- Cameras MUST be on at all times or your test will be stopped, and you will need to sign in again.
- You may use paper and pencil, but NO NOTES, NO OTHER ELECTRONIC DEVICES, and no help from others.
- When you finish your exam make sure you click SUBMIT until it automatically logs you off the test.
- If you are unsure if your test was submitted correctly, you can log back into ZOOM to ask after you finish submitting your test
